

Nasal-Aire® II Interface

Something New is in the Aire...

The Nasal-Aire II is the **next generation of the ever-popular Nasal-Aire** interface. The Nasal-Aire II shares many of the **comfort and compliance benefits** of the original Nasal-Aire, adding improved performance and a reduction in sound level.

Nasal-Aire II Interface

This **lightweight interface is comfortable for patients, simple to use and easy to care for.** Nasal-Aire II is **sold with all six sizes for easy fitting** and includes headgear for stability.

Performance features

- **Six sizes, ergonomically designed to fit any face with no leaks**
- **Eliminates uncomfortable pressure points on the face allowing the interface to be worn for a longer duration without discomfort**
 - **Secure fit design allows the user to sleep in any position**
 - **Minimal design reduces feelings of claustrophobia**
- **New ultra-soft nasal prong material for improved patient comfort**

Design Features

- 100% Latex free
- Can be worn over the ears or down the chest
- Small and quiet with virtually no noise
- No nasal bridge or forehead contact eliminates nasal bridge sores and air leaks near eyes
- Swivel tubing coupler to accommodate free movement and optimal performance during the night
- Supplemental oxygen ports available
